

Incontinence: Amazingly common, incredibly undertreated
Continuing Education Instructor Workshop

Join Wendy Turner, physiotherapist at Lions Gate Hospital Arthritis Program, for an overview of Arthritis and the modifications and precautions necessary to accommodate those in our classes who present with this disease condition. This workshop is open to all instructors and was recorded on November 2010 by Mediasite for online viewing.

1.5 BCRPA continuing education credits will be assigned once this workshop is complete. The workshop has 2 parts: learning and a multiple choice quiz. You will find the quiz at the end of the workshop. You will be awarded a certification of completion upon achieving 80% on the quiz.

Note: anyone can take this workshop. If you are not a certified Osteofit Instructor, we will share the workshop link and passcode once your registration fee is received and processed.
