

# The Perinatal Mental Health & Substance Use Engagement Network

would like to invite you to become a

*PATIENT & FAMILY PARTNER*

Are you someone  
who has

---

- Lived experience with substance use while pregnant or parenting
- Experience as a partner or family member of a person who used or uses substances

Would you like to

---

- Help inform provincial clinical program delivery, practices, and policies related to perinatal substance use
- Share insights about your own experiences to help improve perinatal healthcare services
- Connect with other patients and families who want to influence change
